FIFTH DECLARATION OF STACY ARNOLD

COMES NOW, Stacy Arnold, upon her own oath and penalty of perjury, and states the following:

1. I am above the age of 18, have personal knowledge of the facts contained in this declaration, and am competent to testify as to the facts stated herein.
2. When Officer Hailey arrived at the scene on January 30, 2018, I was located on Library property.
3. I was then unaware that some of the physically indistinguishable sidewalk was owned by the Library and that some of it was owned by the mall.
4. I was out of earshot of mall security talking to my boss on the phone.
5. I remember taking care not to slip on the metal on the ground as I walked forward to give Officer Hailey my ID, as it was a little icy. Ice, metal and the boots I was wearing do not mix well.

6. When I went back to the Library in 2019, I stood in that area again, and I distinctly remembered being there when officers arrived on January 30, 2018.

7. The area I was standing on when officers arrived on January 30, 2018 is no less than the designated area portrayed by the subsequent Library policy. I was in the middle square of the first row of squares in front of the statue facing the mall, behind the statue facing the Library.

8. I requested dash cam and other footage in two different Sunshine requests and received no footage. Nor did I receive any footage in response to my RPD.

9. I was arrested on the sidewalk, to the left-hand side of the statue when facing the mall, right-hand side of the statue when facing the Library. Based on information provided by the Library, I understand this area to be owned by the mall with an easement granted to the Library.

Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury that the foregoing is true and correct. Further declarant sayeth not.

Executed on November 14, 2020
